### Catechism of the Catholic Church

*A complete summary of the Catholic Faith prepared following the Second Vatican Council*

#### Inspiration and Truth of Sacred Scripture

106 God inspired the human authors of the sacred books. "To compose the sacred books, God chose certain men who, all the while he employed them in this task, made full use of their own faculties and powers so that, though he acted in them and by them, it was as true authors that they consigned to writing whatever he wanted written, and no more."
