Could you help CAFOD in our local schools? Wanted! Volunteers to inspire children and young people to learn about the world, people who live in poverty and how we can love our global neighbour. By running inspiring assemblies and engaging workshops, you will tap into their natural compassion and sense of fairness, and they will be excited about making a difference. It would only require a few hours of your time each term and you would be assisting your local community to work together for the Common Good. No experience is necessary, and full training, support and resources will be given. For more information, please contact: Sharon Matthews, smatthews@cafod.org.uk, 07748 514641
